

Baltimore, MD - January 4th, 2010

The USGBC is recognizing PNC Bank's Harbor East Branch for its renovations with a clear focus on green design and construction. Encon is proud to have worked with PNC on this project and others with PNC Bank in a continuing increase sustainable design and construction principles.

To honor those who have been recognized, The USGBC is hosting a special event on Thursday January 28, 2010 at The Athenaeum on the campus of Goucher College, 1021 Dulaney Valley Road, Baltimore, MD 21204, from 6:00 to 9:00 PM. This will be an entertaining evening with food, drink, music, and of course presentation of the awards to each winner or team.
